Part X - FIN 48 Footnote

PMCI is a not-for-profit corporation that has been recognized as tax-exempt pursuant to Section 501(c)(3) of the Internal Revenue Code.

PMCI applies accounting policies that prescribe when to recognize and how to measure the financial statement effects of income tax positions taken or expected to be taken on its income tax returns. These rules require management to evaluate the likelihood that, upon examination by the relevant taxing jurisdictions, those income tax positions would be sustained. Based on that evaluation, PMCI only recognizes the maximum benefit of each income tax position that is more than 50% likely of being sustained. To the extent that all or a portion of the benefits of an income

Part XIII Supplemental Information (continued)

tax position are not recognized, a liability would be recognized for the unrecognized benefits, along with any interest and penalties that would result from disallowance of the position. Should any such penalties and interest be incurred, they would be recognized as operating expenses.

Based on the results of management's evaluation, no liability is recognized in the accompanying balance sheet for unrecognized income tax positions. Further, no interest or penalties have been accrued or charged to expense as of June 30, 2019 and 2018 or for the years then ended. PMCI's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

Access to care, cardiovascular disease, mental health services and nutrition were seen as significant concerns that affect many residents. The distribution of behaviors and health outcomes consistently follow social and economic patterns. Furthermore, some barriers to accessing care continue to prevent current programs and initiatives from reaching the populations in need. These challenges present important opportunities for the future. As we move forward as an integrated community of health care, social services and community leadership, we can leverage community assets to improve the health of residents in Floyd, Polk, Chattooga and Cherokee counties.

Effective with calendar year 2009, Mr. Stuenkel's SERP is a cash-based program.

Additionally, Of the \$1,033,596 listed as compensation for Mr. Kurt Stuenkel in Form 990 Part VII Section A, \$150,869 represents a performance-based payment arising from the 2018 performance period and \$176,053 represents the nonqualified 457(f) plan. Form 990, Part VI, Line 12c - Enforcement of Conflicts Policy

Name of the organization

Polk Medical Center, Inc.

Employer identification number

Polk Medical Center, Inc. (PMCI) has a written policy respecting conflicts of interest and disclosure of same. Generally speaking, the policy requires any "Covered Person" who believes he/she has a conflict of interest to:

-disclose the existence and nature of the conflict of interest (including all facts known respecting the subject matter) to the chairman of the board;

-play no part, directly or indirectly, in the deliberation or vote of the board of directors with respect to the determination of whether a conflict of interest exists; and

-absent himself/herself from that portion of the meeting at which the conflict of interest is discussed.

The definition of a "Covered Person" includes all board members, officers and members of senior management of PMCI.

When a Covered Person discloses a potential conflict of interest to the board chairman, the chairman is obliged to bring the matter to the attention of the full board. The board determines whether a conflict of interest actually exists. If the board determines that there is a conflict of interest, the transaction or matter giving rise to the conflict of interest may not proceed unless the board determines, by a majority vote, that, despite the conflict of interest, the transaction/matter is nevertheless in the Corporation's best interest and is fair and reasonable to the Corporation.

In addition to the requirement that a Covered Person disclose a potential conflict of interest at the time it arises, each Covered Person is also required to submit, on an annual basis, a 'Conflict and Disclosure of Interest Questionnaire'. This multi-question document serves as a reminder

and prompts each Covered Person to ponder those areas and situations where a potential conflict might exist.

Additionally, any proposed transaction at PMCI which involves an "insider" (i.e., a board member, officer, manager, etc.) is scrutinized, with the assistance of corporate legal counsel, from the standpoint of whether the transaction will result in any excess benefit to the insider. Typically this involves obtaining appropriate data regarding comparability which is provided to the board for its use in determining that the consideration being paid to the insider as a part of the transaction is reasonable and does not exceed the value of the benefit received by PMCI.

Form 990, Part VI, Line 19 - Governing Documents Disclosure Explanation

The organization makes its governing documents, conflict of interest policy and financial statements available to the public when the request is made at the administrative office of the filing corporation.
