

COVID Monoclonal Antibody Infusion Instructions for Patients

- Floyd Medical Center registration will call you prior to your appointment to complete the registration process.
- Please arrive at Floyd Medical Center 15 minutes prior to your appointment time.
- Infusion treatment has designated parking on the north side of Floyd Medical Center off of Turner McCall:
 - From the intersection of Turner McCall Boulevard and Martha Berry Boulevard: Travel east on Turner McCall Boulevard beneath the overhead pedestrian walkway (parking deck tube).
 - Take the second right after the tunnel onto the Floyd Medical Center campus (across from the AT&T office at Charles High Square)
 - (Note: If you reach North Fourth Avenue and Regions Bank you have gone too far.)
 - The entrance will be marked with a  symbol attached to the Brassfield & Gorrie construction fence at that location.
 - Proceed past the No Parking/Patient Discharge sign.
 - Designated parking spots A-D with green signage are located on your left.
 - Park in one of the four designated spots and call **706.509.3196**.
- A Floyd Medical Center transporter will come get you and take you to the infusion location.
- Please have your mask ready to wear.
- Unfortunately, we are not currently allowing any visitors for adult patients during this treatment.

Look for this Symbol

If you are unable to locate the designated parking or do not have a cell phone, please drive into the circle drive at the Main Entrance and speak to the Security Officer at the concierge desk for assistance.
